Silver City, N. M., Nov. 10.—Preparations for the laying of the cornerstone of the new public school building have been completed and the exercises will be largely attended on next Friday afternoon, as mayor Percy Wilson has issued a proclamation for a holiday for part of the afternoon. The ceremonies will be in charge of the Masonic grand lodge of the territory and grand master E. L. Medley, of Albuquerque, will be here to preside. The city officials, local band, and militia will attend in bodies, and the people generally will take great interest in the occasion, as it marks a new epoch in the educational welfare of the city. While here, grand master Medley will institute a new Masonic lodge, under dispensation, at the thriving mining town of Santa Rita.

The city had a narrow escape from a destructive fire, when fire broke out in the Mexican settlement immediately adjoining the large freighting and coal buildings of W. A.
